

Video 30

Hello,

today I have the first test for you.

Let's just have a conversation to check what you have already learnt from the exercises so far.

If you need more time for the answers, pause this video for a moment.

Are you ready?

Then here we go:

Hello, my name is Jonathan. What is your name?

Nice to meet you. How are you?

I'm fine, too. Thank you.

Where are you from?

I've never been there, unfortunately.

I'm hungry. Let's go to a restaurant and talk some more there.

So, please take a seat.

What would you like to eat?

Are you a vegetarian?

And what would you like to drink?

Do you drink alcohol?

Do you like it in the city?

Is this your first time here?

Have you met my brother John?

We can meet John after dinner.

Do you agree?

How long are you going to be in town?

What else do you want to do while you're here in town?

That's great.

Why don't you tell me a bit more about yourself?

Are you married?

Do you have children?

I have been married for thirteen years and have two children.

My daughter is called Sarah and is ten years old. My son is called Steven and will start school this year.

What do you do for a living?

And what do you work at exactly?

I see. What does a normal day look like for you then?

That's very interesting. I would like to know a bit more about it.

Why don't you tell us what you did last week, for example?

What else do you do when you don't have to work?

Do you have any hobbies?

Well, I really have to say that I'm absolutely thrilled with your language skills.

Now repeat this exercise a few more times and vary your answers.

You are really making great progress and you can be very proud of yourself!

You passed the test with flying colours.

Keep it up!

See you soon.
